NOW, THEREFORE, the Declaration is hereby amended as follows:

1. Annexation of First Addition. The First Addition shall be deemed submitted to the Covenants and governed in all respects by the provisions of the Covenants (as hereby amended) and shall, upon the recording of this Amendment, become part of the Property. Without limiting the generality of this paragraph 1, the effect of this Amendment shall be that (a) all of the provisions of the Covenants shall apply to the First Addition in the same manner and with the same force and effect as though the First Addition were subject to the provisions of the Covenants as of the date of recording of this Amendment, (b) the term "Lot" as used herein and in the Covenants shall include each Lot shown in the Plat of the First Addition to Stone Cliff, which Plat appears of record in the Office of the Recorder of Madison County, Illinois in Plat Cabinet \_\_\_ at Page \_\_\_ (the "First

Developer is not obligated in any manner to annex any such additional property, or to annex any particular tract, or to annex tracts in any particular sequence, it being the intention hereof that Developer may decline to exercise the rights granted in this paragraph or may elect to exercise such rights only to a limited extent. The additions authorized by this paragraph shall be made by recording in the Office of the Recorder of Deeds for Madison County, Illinois, a Supplementary Declaration with respect to any such additional property, or portion thereof, which shall extend the scheme of the Covenants (as hereby amended) to the property to be annexed (hereinafter referred to as the “Annexed Property”). Such Supplementary Declaration may contain such complementary additions and modification of the Covenants as are consistent with the scheme of the Covenants. At such time as Developer causes the recording of such Supplementary Declaration or Declarations, then in such event: (a) Developer

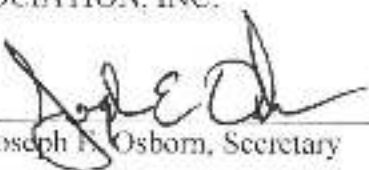

shall have and enjoy in such Annexed Property all easements and exercise all rights, privileges and immunities reserved to them or either of them in Covenants (as hereby amended) in the same manner and with the same force and effect as though the term Property as used herein included such Annexed Property; and (b) in all other respects, all the provisions of the Covenants (as hereby amended) shall include and apply to such Annexed Property in the same manner and with the same force and effect as though such Annexed Property had been subject to the provisions of the Covenants (as hereby amended).
